The Origins of India?s Tales: Ancient Civilizations and Mythology

India?s stories find their roots in some of the world?s oldest civilizations. The Indus Valley Civilization, flourishing around 2500 BCE, is among the earliest known urban societies, leaving behind artifacts and urban planning marvels that hint at complex societal narratives. While much of their mythology remains buried beneath layers of history, the oral traditions and archaeological findings suggest stories of gods, kings, and cosmic order.
