The series chronicles the lives of a group of young residents navigating a world dominated by vampires, who hold sway over human inhabitants through a combination of fear, power, and political intrigue. *The Glass Houses* introduces us to Claire Danvers, a bright and resourceful high school student who moves to Morganville to attend college and quickly finds herself immersed in its dark underbelly.

The novel's central premise revolves around Claire's discovery of the town's vampire-controlled society, her initial attempts to stay under the radar, and her eventual involvement in the town's ongoing struggle for autonomy and safety. As the first book in the series, it functions as a foundational text, establishing the series' tone—dark, suspenseful, and infused with a gritty realism that distinguishes it from more traditional vampire lore.
